Dear Parents,

ZOOSNOOZE

On March 18-19th we have booked a night at the Zoo, sleeping with the animals. Well, not exactly with the animals but up close and personal. It also happens to be the opening of Dream Big (formerly Come Out). We are endeavouring to join in the celebrations of Dream Big and hope to be able to book a few performances. The cost per student will be \$100 so I want to give families enough time to save and prepare.

AGM Governing Council

Nominations close on Friday to be a member of the Governing Council for 2017. The AGM is a short meeting where elections are held and a brief financial report is given on the previous year's activities. Following the AGM, a normal Governing Council meeting will be held. The meeting is open to all parents and it would be an opportunity for a parent to get to know a little bit about the workings of the Council. If you would like to join the Governing Council as a member, please do not hesitate in giving me a call. The agenda, minutes and nomination forms were circulated earlier in the week.

Aquatics

The Year 6/7's are attending aquatics Thursday and Friday of this week at Victor Harbor. The students have a range of activities from surfing, body boarding, canoeing and wind surfing. The 4/5's will be testing the cooking skills on Friday.

Parent Evening

Last Thursday, we had a brainstorming session on the strengths of Rapid Bay and different ways we can promote and share the successes of the school. This is a priority for the Governing Council in 2017. Should you have an interest in or have experience in marketing and promotions, this could be a project you could participate in.

SAPSASA Swimming

Next Wednesday, representatives from Rapid Bay will be competing in the SAPSASA swimming carnival at Strathalbyn. Last year, Rapid Bay won the handicap shield and we are hoping for a success again in 2017.

Struggle Stretch Transfer

The Fleurieu Partnership is having a **Pupil Free day on Monday 6/3/17**. The conference title captures the agenda of trying to 'milk the best' out of our students and for them to be able to transfer their learning to new situations. The conference is being conducted by Prof Martin Westwell.
