Term 3 Calendar

Dear Parents,

Tree Planting – Beach Preservation

On Friday 4th August from 9.15-11.00am, we will be planting natives down by the beach. The school has been doing the annual planting for at least the last 10 years. Parents and friends are invited to join us for the planting. Following the planting, we will return to school for a sausage sizzle. This will be during the recess break so parents might need to modify the amount of food they provide for students for the day.

What to bring? Gardening gloves, suitable footwear, warm clothing and rain protection depending on weather.

BBQ Numbers – please fill in and return the slip attached in order for us to plan for catering.

PE – Term 3

We have been fortunate in applying for and receiving a termly grant for PE over the last 2 years. This has enabled us to bring in sports coaching specialists in different sports. Providing students with a variety of experiences in sport helps them get to know their interests, skills and capabilities. At Rapid Bay, we provide students with a range of opportunities to explore and realise their potential. This term, students will be learning the skills of volleyball and golf.

CAMP

Camp for 2017 will be at Nunyara in Belair from 8th- 10th November which is week 4 of term 4. We will be doing a Beyond Limits program that involves a range of activities. The program is yet to be finalised but examples of activities include orienteering, mountain bike riding, bush cooking, shelter building, water obstacle course, parachute games, disc golf and so on. There will be variations in the program for JP's and UP's.

Sports Day

Sports Day will be held on Friday 22/9/17 in Week 9. With any sort of luck we will have beautiful weather!

Pavers and Gardens

During the holidays, all the paving around the school was pressure cleaned. It has given the place a facelift and the pavers are looking like new. In the last few weeks of term, all the garden beds were weeded and flowers planted so by the end of the term, we might be in the running for the best looking school garden!

Regards

COMMUNITY PLAY HOTSHOTS 2017

The Normanville Tennis Club will once again be conducting a **Tennis Hotshots** program at our tennis courts for anybody aged between 7 & 12 who would like to have a go at playing this wonderful game.

It is a 6 week program commencing **Sunday August 13th @ 12p.m** and will be conducted by our qualified Hotshots Coach, Leigh Howlett.

Cost is \$25/child and all equipment is provided by the club....
no need to buy a tennis racquet!!

If you have any questions at all please feel free to contact me on 0417 857 223
Sonya Jensen (Junior Co-Ordinator)

Dental care is **FREE** for ALL babies, preschool and most children under 18 years at School Dental Service clinics. The School Dental Service is a Child Dental Benefits Schedule provider.

Call us now for an appointment!

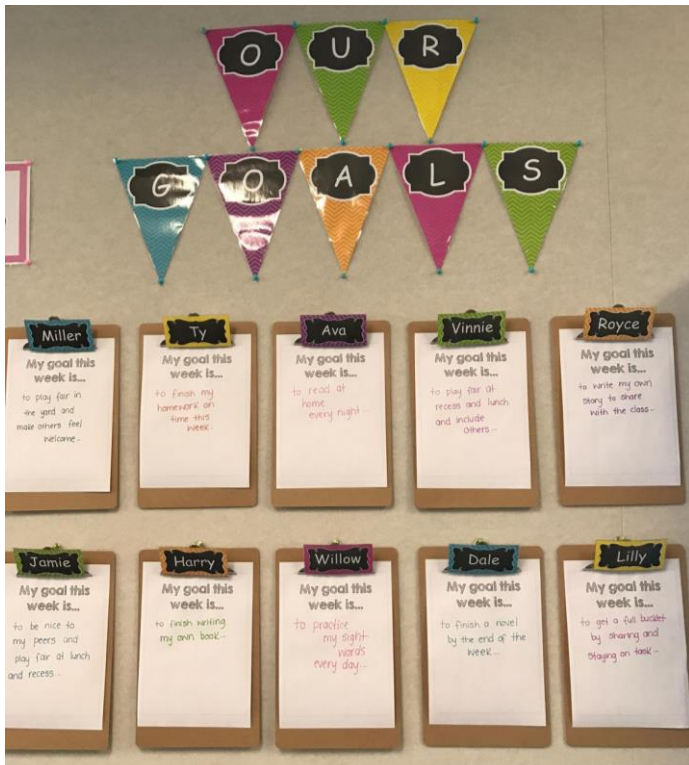

Your local clinic is: Victor Harbor Dental Clinic

Phone: 8551 0460

Keep your kids smiling.

Welcome back to term 3!

This term, Team JP is focusing on developing our growth mindset by taking responsibility over our own personal and academic growth and achievements. Each week we will be setting ourselves some goals to work towards and will be actively working towards achieving these. Some of the goals we have set for ourselves so far include:

- Finish a short novel by the end of the week
- Write my own story and create a book
- Include others in the yard during play times
- Practice my sight words every day
- Read for at least 20 minutes every night

TREE PLANTING DAY SAUSAGE SIZZLE

Number of helpers attending.....

Number of sausages.....

Name.....

Please return this form to school asap.

The students choose these goals, and are given opportunities throughout the week to work towards achieving them. We also have a whole class goal to work towards every week. Our goal for week 1 was to focus on working together and being inclusive of each other.
