Holiday Program

Dear Parents,

Open Day – Butterfly Mural Unveiling

A copy of the Open Day brochure is accompanying the newsletter. All families are encouraged to attend for at least the Butterfly Mural unveiling which is at 11 am. Mayor Glen Rowlands will unveil the plaque and there will be a number of local councillors and staff in attendance. It would be appreciated if you could send a plate of food for either the children or adults to assist with the catering of the morning tea that follows the unveiling. I know the Promotions Committee has already had support from families to help but anything you can do to help would be appreciated.

Denise’s Farewell – Sun 10th Dec from 12.00pm

As previously advertised, Denise’s farewell is coming up and all past and present families are invited to attend. BYO– plate of food to share, drinks and chair. Soft drinks and fruit boxes will be provided.

Police Visit to School

Students in the UP had the opportunity to quiz Senior Constable Libby Bruce about a number of topics. One of the areas discussed was the most common crimes committed on the Fleurieu. About 80% of police time is spent on domestic violence and mental health. We also discussed the prevalence of drug usage and its devastating impact on families. Sadly, Christmas time is often when domestic violence issues spike. I think the students came away appreciating their wonderful families.

Year 7 Graduation

About sixty people attended a function at the Links Lady Bay Resort to celebrate the graduation of Jasper Green and Erin Smith. It was great to see the whole UP class in attendance to support our two graduates. Jasper and Erin have become formidable leaders and take with them a full repertoire of skills and capabilities to continue their educational journey. Parents and families ought to be extremely proud of their young adults.

Concert

The end of year concert is shaping up well. We would like to start by 6.30pm so students are expected to arrive by 6.15pm.

Bushfire Plan

Rapid Bay is in the Mt Lofty Ranges fire danger zone. On a day deemed to be ‘catastrophic’ for bush fires, schools in this area will be closed. No buses will run on that day. The emergency contact chain will operate on a day of this nature. With higher than expected temperatures predicted for December, there may be a chance that this policy will be enacted.

Regards

ENDING THE CYCLE

A primary prevention program aimed at reducing violence against women. Funded by the Department of Social Services - Building Safer Communities for Women and their Children.

This workshop will equip men and women with positive bystander intervention understanding and strategies to foster safer, more respectful environments

This program is designed to be delivered to community organisations, volunteers and parents. Learn how to:

- Understand the link between gender inequality and violence against women
- Recognise potential risk factors
- Challenge attitudes and terminology that are based on gender inequality
- Set a standard for your organisation
