Dear Parents,

History Month – “Find your Treasure”

May is History month and we are planning a special event at school on Wednesday 23rd May. Team JP is finding their treasure with the help of Vikings and Pirates while UP United are looking at Explorers and Famous Women in History. More details are to follow in next fortnight's newsletter but rest assured, be prepared to dress up as your favourite explorer, famous woman, viking or pirate. There will be a shared lunch on this day. Parents, grandparents and friends are welcome on this day.

Student Expo or Back to School for Parents?

On Thursday 31st May, students are holding an Exposition of their work, providing insights into what it is like to be a student at Rapid Bay in the 21st century. The most effective way of showing will be by doing! Students will be running mini classes for parents on aspects of the curriculum.

Parent – Student – Teacher Discussions

The note attached to the newsletter is a separate letter about Parent – Teacher – Student discussions. The spread of times and dates is intended to give more flexibility to families for organising times. Should these options be inconvenient, please return your forms with alternative times that would suit.

SAPSASA Netball and Football (AFL)

On Wednesday, students in the UP class participated in the SAPSASA district carnival. We managed to rally enough students to form a netball team, plus a few ringins from Yankalilla AS. In football, two of our boys joined forces with Yankalilla AS team. Both the netball team and football team managed to win at least 2 matches, up against some tough opposition. Everyone had a great day. I would like to thank Yankalilla AS for helping us with the teams, parents for their support in transporting the students and special thanks to Paula Krichauff for coaching the netball team. I would also like to thank Helen Maidment (Goolwa PS) for the bibs and balls.

Staffing - Curriculum

Renee Drew will be teaching on Thursdays, taking science in both classes and assisting with Literacy (UP) and Maths (JP). Renee has been coordinating the Playgroup on Fridays from mid-way through term 1.

New Student

Welcome to Tate Carter, a new Year 2 student, all the way from WA.

Regards

Mark Shadiac

Principal

Congratulations to former student Laura Smith who has been selected to attend the 2018 National Constitution Convention in Canberra. Successful applicants had to show active participation in the state Convention held in Parliament House.

Two students from Woodcroft College were accepted last year and Laura had the opportunity to sit in the House of Assembly and debate whether or not Australia should become a Republic.

Laura also submitted an oral presentation discussing the significance of the Republic debate and its relevance to governance today. She is one of only twelve students from South Australia who will travel to Canberra to convene with students from other states.

At the recent State Athletics competition Monique qualified for the 100m, 200m, 800m, 70m sprints, long jump and high jump. She achieved fourth place in all but the 70m in which she placed third. Fantastic result Monique, congratulations!
